

AT A GLANCE

PROFILE

UEM Edgenta Berhad ("UEM Edgenta") is one of the region's largest Total Asset Solutions entities listed on the Main Market of Bursa Malaysia Securities Berhad.

We are the leading Total Asset Solutions company with the belief of Optimising Assets to Improve Lives. We partner with our clients to create and deliver cutting edge solutions and services to help optimise the performance of their assets, their workplaces and their communities.

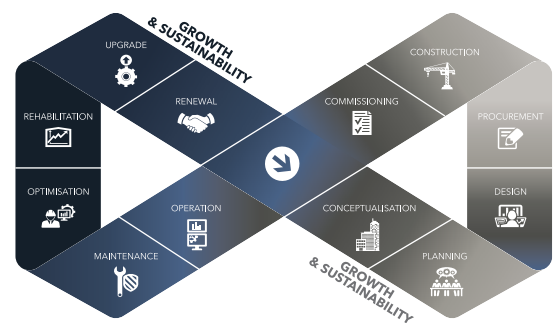

We take care of our clients' assets, every step of the way. Our expertise in Total Asset Solutions covers consultancy, services and solutions across healthcare, infrastructure and real estate sectors.

We offer our clients a full suite of services throughout their asset life cycle. These include consultancy, procurement and construction planning, operations and maintenance, as well as optimisation, rehabilitation and upgrades. UEM Edgenta has operational presence in Malaysia, Singapore, Indonesia, Taiwan, India and the United Arab Emirates.
