

Opus Consultants Proposes To Relocate Its Headquarters In Sarawak

KUALA LUMPUR, 20 September – OPUS Consultants (M) Berhad (“OPUS Consultants”), a leading Asset Management and Infrastructure Solutions company in the region and a wholly owned subsidiary of UEM Edgenta Berhad (“UEM Edgenta” or the “Company”), has recently proposed to expand its service center and to establish OPUS Consultants’ headquarters in Sarawak.

Syahrudin Samsudin, Managing Director/Chief Executive Officer of UEM Edgenta with Tan Sri Dr. Azmil Khalid, Chairman of UEM Edgenta, Mr. Shariman Yusuf, Managing Director of Edgenta Propel Berhad and Ir. Vincent Tang, Managing Director of OPUS Sarawak, paid a visit to the Premier of Sarawak, Datuk Patinggi Tan Sri (Dr) Abang Haji Abdul Rahman Zohari to share details on UEM Edgenta and OPUS Consultants’ business plans in Sarawak.

"We proposed to the Premier of Sarawak to allow us to work with the Sarawak Government and to provide his consent for us to have our new headquarters at OPUS Consultants Sarawak," said Syahrudin.

"The Premier of Sarawak is very pleased for us to proceed with the proposal, we will work with Sarawak Economic Development Corporation ("SEDC") and PPES Consult Sdn Bhd ("PCSB") to develop the state of Sarawak towards becoming a high-income state by 2030, in line with the vision of the Premier of Sarawak. On the collaboration with SEDC, OPUS Consultants will establish a centre for facility and supply chain management in the Sarawak state," added Syahrudin.

With more than 30 years of experience in delivering mega projects, OPUS Consultants, the market leader in engineering and asset management consultancy currently manages the lifecycle of more than 4,000 km (four thousand kilometers) of toll expressways, road construction and upgrading projects in Sabah and Sarawak providing innovative yet practical solutions for large-scale infrastructure and transportation projects.
