MORE LOCATIONS OPENING IN KLANG VALLEY FOR DIGITAL TRACKER REMOVAL

KUALA LUMPUR, 9 January – QuickMed refers to the incident this morning where high volume of users were queuing at one of the Removal Centres to have their digital tracker removed upon the completion of their home quarantine period.

We would like to extend our sincere apologies to those involved and would like to inform that the matter was immediately resolved within 30 minutes of escalation.

With that, we would like to announce the opening of more Removal Centres (via our partner U.n.i Klinik) for digital tracker removal in the Klang Valley to provide faster and more convenient removal service.

These new locations will be fully operational beginning Tuesday, 11 January 2022 and will be open seven days a week from 9.00 a.m. to 5.00 p.m.

The new Centres in the Klang Valley are as follows:
